

Give to the Community Christmas Hamper Campaign and help deliver some goodness this holiday season

Quebec, November 9, 2018: The 23rd Community Christmas Hamper Campaign will soon be underway! Between Sunday, November 18th and Sunday, December 9th, help “deliver some goodness” by giving to this wonderful community initiative in any or all of the following ways:

- **Food:** Drop off non-perishable food at one of several sites around town, including at EQLC’s International Luncheon on Wednesday, November 28th or VEQ’s Holiday Happy Hour at Morrin Centre on Wednesday, December 5th.
- **Money:** Write a cheque, give cash, or donate online towards the \$30,000 annual objective. Funds buy fresh produce and other goods to supplement donated items.
- **Time:** Help collect, sort, pack or drive: There are a variety of tasks that need volunteer power right up until delivery day on December 15th.
