What you can expect after registering

Your contact person will give your name and address to Jeffery Hale Community Partners (JH Partners), a registered charity. They coordinate the central registry for the campaign.

This is a confidential service.

JH Partners checks names and addresses for duplicates. They will send you a letter to confirm your address and remind you to be at home on delivery day. A team of volunteers will bring your hamper to your home, and you must be there to receive it. If not, it will be returned.

What you can expect in your hamper

A hamper is made up of at least three boxes of food, depending on the size of your household and the donations we receive, plus a bag of potatoes, frozen meat and a turkey.
