

Give to the Community Christmas Hamper Campaign and help deliver some goodness this holiday season

Quebec, November 1, 2021: The 26th Community Christmas Hamper Campaign is now underway! Once again, we cannot accept any food donations this year due to COVID-19. You can still help us to “deliver some goodness” by giving to this wonderful community initiative before December 18th in the following ways:

- **Donate:** We need your monetary donations more! We have kept our annual objective at \$50,000 to help cover added expenses brought on by the pandemic such as the obligation to purchase all food items (both fresh and non-perishables). Please mail in your cheque or donate online using our new easy and secure [online donation form](https://qchampers.ca) at qchampers.ca.
- **Volunteer:** Also due to COVID-19, we must assure that all tasks requiring volunteer power (such as packing and delivering) meet the public health safety measures in force, including proof of vaccination. Visit our website to learn more and about how to send us your proof of vaccination in advance. Thank you in advance for your understanding.

For details about how you can contribute, please visit qchampers.ca, email give@qchampers.ca or call Hamper Headquarters at 418-684-5333, ext. 11835. Follow the Quebec City Community Christmas Hamper Campaign’s [Facebook page](#). Share your giving story on Facebook or Twitter at [#qchampers](#).

About the Campaign

Since 1995, the Community Christmas Hamper Campaign has been delivering goodness to over 200 homes in the Greater Quebec City region at Christmas time. The organizing committee of this huge annual initiative is composed of representatives from 18 organizations from the local English-speaking community. Heartfelt thanks to you—our donors, volunteers and numerous partners—for your unwavering devotion to this act of true kindness toward those in need.
